Tentative Schedule:

Sunday, Sept. 25, 2022

3:00p - 5:00p | How To Get All Teachers To Be Like The Best Teachers - Todd Whitaker

Every school has amazing teachers who have an incredible impact on students and learning. These special teachers have the ability to connect with all students and deliver highly effective instruction. Each school also has teachers with varying ranges of talent and ability. If all teachers could become more like the most effective teachers, then we would have significant improvement in every school. This session focuses on what leaders can do to get all of the teachers to be like their very best teachers.

5:15p - 6:15p | The Power of Purposeful Presence - Sean Cain, Tricia Tsang, Mike Laird

How to CORRECTLY use high volume formative observation to rapidly improve pedagogy and leverage leadership effectiveness.

Monday, Sept. 26, 2022

8:15a - 9:30a | Re-building Learning Systems - Sean Cain

How to re-establish the effective use of key instructional tools and practices critical for accelerating student academic recovery and optimizing student outcomes.

9:40a - 10:40a | PLCs in the Real World - Sherilynn Cotten and Lesa Cain

Jump start your PLC process with a focus on system building and improved pedagogy.

10:50a - 11:50a | Stealth PLC - Tricia Tsang

How to create and maintain a classroom that is both emotionally healing and instructionally effective. Based on the book, *Stealth SEL: Healthy Social Emotional Learning Through Enhanced Pedagogy*, by Sean Cain and Tricia Tsang.

12:00n - 12:45p | Lunch

12:50p - 1:50p | The Exponential Power of Micro-Training - Lesa Cain, Sean Cain, Sherilynn Cotten, Mike Laird

The Fundamentals of using micro-training to continuously elevate staff capacity. Taught experientially through high interest micro-sessions (The Redo, Fundamental Planning, and The Firefighter) by the presenters.

2:00p - 3:00p | The Bounce Back - Sean Cain, Mike Laird, Sherilynn Cotten

As schools BOUNCE BACK, it is critical that teachers implement enhanced instructional practices at high frequency and high quality. The authors of *The Fundamental 5 Revisited* visually showcase the restorative power of The Fundamental 5 when compared to typical (less effective) pedagogy.
