

THE TEXAS ASSOCIATION OF SECONDARY SCHOOL PRINCIPALS

Now Accepting Articles for the Texas Study of Secondary Education

Manuscripts for the next issue of the Texas Study are due to the TASSP office in electronic format by October 1st. Articles will be peer reviewed by the Texas Study Committee.

- TASSP is accepting articles that promote best practices, learning and leading, innovative programs, timely developments and technology.
- The reading audience is comprised of over 5,000 school administrators and educational professionals. Campus administrators make up the largest body of the readership. Trainers, university personnel and curriculum directors are also included in the subscription base.
- Articles must be **no more than ten pages in length**, double-spaced with 12 point type. All pages must be numbered and references should be formatted in APA style. Articles must be submitted in electronic format, either on CD or via electronic mail. A brief author bio should also be included with the article (2-3 sentences), with the author's preferred mailing address.
- An honorarium coupon valued at \$100 will be awarded to the authors of selected articles. The coupon may be used to defray the cost of either a TASSP membership or conference registration to the TASSP Summer Workshop or Fall Summit. Only one honorarium will be awarded per article. To qualify for membership, the author must meet the qualifications for either the TASSP active membership or associate membership.
- TASSP reserves the right to edit all manuscripts selected for publication in the *Texas Study of Secondary Education*.

Deadline for Fall: October 1st
Deadline for Spring: February 1st.

Submit all materials according to the guidelines described on this page to:
